Race Day

The events were run over the AIT course and despite very wet weather leading up to race day, the ground held up well and we were treated to most enjoyable races. In the Ladies race there were 45 runners while 73 men faced the starter.

Captain's Meeting:

The meeting was held at AIT campus shortly after completion of the men's race.

First Aid:

First Aid was provided by the Order of Malta with an ambulance and two personnel on duty. There were no serious injuries to be reported.

Presentation Dinner:

This was held in the canteen of the college which was suitably adapted for the occasion. A four course meal with wine was provided at a cost of €20.00 per person. The awards were presented afterwards.

Music was provided in the bar of the college and despite the non-appearance of a DJ booked for the event, the occasion seemed to go well. Later in the night, the more energetic people went to a local night club.
